DAY TO DAY OPERATIONAL SUPPORT

Who is answering the emergency call at 3 a.m.? Maybe it is a water heater that is not heating, a burst water line, or a toilet overflowing. Someone needs to answer that call. The repairs need to be scheduled quickly. With CSL, you will no longer be captive to the daily requirements of 24/7 facility operations. Our job is to free up your time to enjoy what the Greek experience was meant to be.

Safety & Support

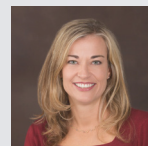

- Dedicated service line providing 24/7/365 support
- Repair and maintenance coordination
- Negotiate and manage vendor partnerships and contracts
- Winter and summer maintenance planning and execution

Reporting & Tracking

- Invoice approval and payment processing, including W9 and Certificate of Insurance tracking
- Site visits, including written condition reports, and board consultations
- Budgeting
- Financial management
- Record keeping and tracking
